

# PARTNER WITH WOODWARD CTHS

JOIN WOODWARD CTHS IN THEIR EFFORTS TO RAISE \$610,000 TO COMPLETE THE NEW FOOTBALL, TRACK AND BASEBALL ATHLETIC COMPLEX

Our Community and Woodward Alum have continued to join together to secure a bright future for future generations at Woodward. Your

support is needed to continue these efforts. By partnering with Woodward you are continuing to invest in our communities.

In 2006 Cincinnati Public Schools unveiled a beautiful new Woodward Career Technical High School. A state of the art football, track, and baseball athletic complex was to follow. This facility was to be the district's competitive track arena. Because the "old" Woodward had to be used for another school, the athletic complex was delayed by four years. Currently, the original plan requires an additional \$610,000.

- ✚ 1,000-Seat Football Stadium
- ✚ 8 Lane Competitive Track
- ✚ 7,000 sq. ft. Locker Room, Concessions, Public Restrooms
- ✚ Baseball Field with Grass Infield, Dugouts, and Fencing
- ✚ Score Board, Press Box, and Walkway
